Citizen Corps' mission is to harness the power of every individual through **education, training, and volunteer service** to make communities safer, stronger, and better prepared to respond to the threats of terrorism, crime, public health issues, and disasters of all kinds.

**EDUCATION:**

- \_\_\_\_ Yes, I'd like to schedule a Citizen Corps presentation for my group. Please use the information above to contact me about this opportunity.
- \_\_\_\_ I am interested in working with or setting up local Citizen Corps programs
- \_\_\_\_ I'd like to connect my organization with a local network of organizations working together for community safety and response during emergencies and disasters.
- \_\_\_\_ I'd like to organize a "Disaster Strikes" exercise, or other exercises for my group.

**TRAINING:**

Community Emergency Response Team (CERT) is an 18 hour course on disaster preparedness and basic disaster response skills, such as fire safety, light search and rescue, and disaster medical operations. Using both hands on and classroom training, CERT members can assist others in their neighborhood or workplace following an event and can take a more active role in preparing their community.

- \_\_\_\_ Yes, I'm interested in taking CERT training. Please contact me when the next training has been scheduled.
- \_\_\_\_ I'm interested in local CPR classes, AED training, shelter training etc. Please tell me more about what is available locally. \_\_\_\_ I know of/provide training that other Citizen Corps may find useful.

**VOLUNTEER SERVICE:**

**Ongoing/Connected:**

Volunteer Educator Program trains and utilizes participants to provide training and share information to make communities safer, stronger, and better prepared to respond to the threats of terrorism, crime, public health issues, and disasters of all kinds. Trainings ongoing.

- \_\_\_\_ Yes, I'd like to know more about being a presenter in the Volunteer Educator Program, or working as a speaker/trainer with other local groups or my group.

Medical Reserve Corps (MRC) MRC volunteers work with existing local emergency response programs to support community public health initiatives, such as outreach and prevention, immunization programs, blood drives, case management, care planning, and other efforts.

- \_\_\_\_ Yes, I'm interested in learning more about MRC volunteer opportunities.

Volunteers in Police Service and Fire Corps Volunteers work to support the efforts of local emergency responders as requested. They may help with administrative tasks and local projects.

- \_\_\_\_ Yes, I'm interested in learning more about local VIPS and Fire Corps volunteer opportunities.

**Emergency/short term:**

Emergency Volunteers Centers (EVC) are sites that act as reception centers for processing and dispersing spontaneous, unaffiliated volunteers who step forward to help during an emergency or disaster situation. EVC staff volunteers help manage the facility and the volunteers by filling several key positions.

- \_\_\_\_ Yes, I'm interested in becoming an EVC volunteer. I'm interested in helping process volunteers during the following situations as possible.
- \_\_\_\_ Medical/Health related Emergencies
- \_\_\_\_ Agriculture/Livestock related Emergencies
- \_\_\_\_ Natural and/or Human Disaster
